Comments :

Yoseph is a kind and obedient student. However, he still needs a lot of supervision in finishing his tasks. He also needs to manage his time better so he can finish his work on time. Yoseph needs more time to understand new concepts, he is able to master them over time through continuous exercises. For the better result in the future, he needs to ask everything that seems unclear for him for his better understanding. You can do it, Yoseph!

PROMOTION / RETENTION :
