**Comments :**

*Basically, Michelle is a quite keen student. She usually listens to teachers and does the directed assignments on time. But sometimes, when she is not in good mood, she will show her ignorance and arrogance to the lessons. This condition is normal due to the journey of self-awareness for teenagers. For better performance in the future, she needs to cope with her mood and I believe by the time goes by, she can do it.*

**PROMOTION / RETENTION :**

Based on your child's overall academic performance, she is promoted to the 12th grade
