Comments :

Audria Antonius continues work excellent during this semester. She has got a very strong motivation to learn English. She showed particularly true efforts to learn English by trying to participate in any activities like reading, writing, learning new vocabularies, making drama projects and performing presentations both in class and public area. When there was an assignment given, she would show tremendous effort to complete it perfectly. In writing, she has strong power of ideas. She could write short, medium and long composition very well. She could apply what she had learned by her confidence to speak and write in English. She has good social skills, positive thinking and prospective talent to go forward. Always do your best Audria!
