Comments :

Jason Audrie Yaputra continues work very well during this semester. He has got a strong motivation to learn English. He showed particularly true efforts to learn English by trying to participate in any activities like reading, writing, learning new vocabularies, making drama projects and performing presentations both in class and public area. When there was an assignment given, he would show effort to complete it. He could write short, medium and long composition very well. He could apply what he had learned by his strong confidence to speak and write in English. Explore the best things always, Jason!
