**Comments :**

*Alexander Owen continues to work well during this semester. He has got a strong motivation to learn English. He showed particularly efforts to learn English by trying to participate in any activities like reading, writing, learning new vocabularies, making drama projects and performing presentations both in class and public area. When there was an assignment given, he would show effort to complete it. He may improve his speaking and writing in the future. Face your best opportunity, Alex!*
