Comments :

Michael continues excellent performance this semester. He has got a very strong motivation to learn English. He showed particularly true efforts to learn English by trying to participate in any activities like reading, writing, learning new vocabularies, making drama projects, performing presentations both in class and public area. When there was an assignment given, he would show tremendous effort to complete it perfectly. In school activities both indoor and outdoor, he has the power of ideas. He could write his composition very well. He has strong leadership when he was assigned to do a project. Great, Michael!
