Comments :

Sisilia Anabina Tarigan continues her study well this semester. She has got a strong motivation to learn English. She showed particularly true efforts to learn English by trying to participate in any activities like reading, writing, learning new vocabularies, making drama projects performing presentations both in class and public area. When there was an assignment given, she would show her potential effort to complete it. She could apply what she had learned by her strong confidence to speak and write in English. Go for success, Sisilia!
