Comments :

Vivian Phoebe has performed excellent progress this semester. She has a strong motivation to learn English. She showed particularly an eagerness and true efforts to participate in any activities like reading, writing, learning new vocabularies, making drama projects performing presentations both in class and public area. When there was an assignment given, she would show her potential effort to complete it. She could apply what she had learned by her strong confidence to speak and write in English. Always show your best, Vivian!
