Comments :

Steven Nicolas Sianipar continues to study hard during this semester. He has got a strong motivation to learn English. He showed particularly efforts to learn English by trying to participate in any activities like reading, writing, learning new vocabularies, making drama projects, performing presentations both in class and public area. When there was an assignment given, he would show his capability to complete it. He may improve his speaking and writing in the future. Never give up, Steven!
