Comments :

Aprinda Kornelius Hanson continues to study well during this semester. He has stronger motivation to learn new things. He showed particularly efforts to learn English by trying to participate in any activities like reading, writing, learning new vocabularies, and performing presentations in class. When there was an assignment given, he would show his capability to complete it. Hopefully he would improve even further in the future.

PROMOTION / RETENTION :

Based on your child's overall academic performance, he is promoted to the 12th grade
